

From the internationally bestselling authors who brought you the Krinar Chronicles comes a captivating tale of intrigue, love, and danger in a world where sorcery is entwined with science ...Once a respected member of the Sorcerer Council and now an outcast, Blaise has spent the last year of his life working on a special magical object. The goal is to allow anyone to do magic, not just the sorcerer elite. The outcome of his quest is unlike anything he could've ever imagined - because, instead of an object, he creates Her. She is Gala, and she is anything but inanimate. Born in the Spell Realm, she is beautiful and highly intelligent - and nobody knows what she's capable of. She will do anything to experience the world ... even leave the man she is beginning to fall for. Augusta, a powerful sorceress and Blaise's former fiancée, sees Blaise's deed as the ultimate hubris and Gala as an abomination that must be destroyed. In her quest to save the human race, Augusta will forge new alliances, becoming tangled in a web of intrigue that stretches further than any of them suspect. She may even have to turn to her new lover Barson, a ruthless warrior who might have an agenda of his own ...
