

Jake Long fell in love with his High School math teacher, who just happened to be a Nun. Sister Rosalie Chapman was the pious Nun who found herself falling in love with her student as well. Could they keep their love alive when doctrine and dogma told them they were wrong? Would there be a happy ending for them after all? Will Campbell graduated with Jake from the prestigious St. Augustus Catholic Academy. But unlike his best friend, he chose a different path and joined the US Army. When he got to US Army Airborne training, however, he would find love in the most unexpected place. Rebecca Zuret was an IDF Commando who had given up on love. Could their love survive their respective militaries? Could they possibly survive in a world where their cultural differences might cause friction? This is the compilation of Jake & Sister Rosalie and A Will of Iron & A Heart of Steel There are erotic scenes of a monogamous nature throughout both tales. If that offends you, please move along. If, however, you enjoy erotic fiction, please enjoy the ride! :)
