

The Tax Commandments offer strategies for business owners, retirees, and high net-worth families and is a simple, easy to read guide to reduce many forms of taxation. These strategies have been vetted in the halls of justice and pooled together from various financial experts to provide a compact narration on unique ideas that are generally not advised upon by CPAs. In this book you will uncover incredible new tools for lowering taxation down to minuscule levels. This book will not only save high net-worth individuals a fortune this year but for years to come. We urge you to not only buy this book for yourself, but for your friends and CPA as well. Everyone thinks their CPA has all the answers but we have helped countless CPAs learn new tax reduction strategies so the onus is on you the taxpayer to make sure every available tax deduction is utilized effectively. In the end... it is not what you earn that counts, it is what you keep! Anthony Cottone
