

In this gently told parable, Jan Karon tells a story of patience, of the special rewards that come from being a little bit different from everyone else, and of the courage to believe in oneself. In a picturesque and secluded garden, a tiny seed sits in thrilled anticipation of its destiny as a powerful vine, twisting and flowering through the white latticework trellis. But how could such a small seed ever thrive and grow into a strong, healthy, grown-up plant? Don't worry, Mother Earth says. God has planned something beautiful for you. But time passes, and the little seed doesn't believe it. Beautifully illustrated and filled with faith and love, *The Trellis and the Seed* is Jan Karon at her very best—an inspiration for all ages and an important lesson on God's love for all creatures great and small.
