

Imagine if dinosaurs were alive today ... How would they cope? Join Triceratops as he goes to the zoo, bakes a cake, and joins a football team. Along the way discover just how BIG and bulky he really was! Theres a Triceratops in the Tree House gives young readers a simple introduction to four dinosaur species: Tyrannosaurus Rex, Diplodocus, Stegosaurus, and Triceratops. By imagining dinosaurs in modern-day scenarios, readers learn about their size, diet, and other features. For example, a Stegosaurus weighed as much as three cars -- so just imagine how it would play on a seesaw! The engaging question-and-answer format keeps young readers entertained and helps them to understand and retain dinosaur facts.
