

They grow almost everywhere in our environment, but we hardly notice them: the edible wild plants. Here, their world is fascinating and colorful. Many are even very healthy and alleviate as medicinal plants so many aches and pains. In the kitchen, the edible wild plants turn out to be true delicacies and these beautiful flowers are wonderful as a decoration. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
