

Thomas Carlyle (1795-1881) was one of the most influential authors of the nineteenth century. His satirical essays and perceptive historical biographies caused him to be regarded for much of the Victorian period as a literary genius and eminent social philosopher. These volumes, first published in 1884, form the second part of Carlyles official biography, describing his life and literary work after his move to London in 1834. Carlyles fame and scholarly reputation were firmly established during this period of his life. Written by his close friend James Anthony Froude (1818-1894), this candid and controversial biography describes in vivid detail the effect of Carlyles fame on his literary work, and on his relationship with his wife and close friends. This revealing work broke traditional Victorian biographical conventions, and is considered a classic for its critical analysis of Carlyles actions and character. Volume 1 covers the years 1834-1849.

Study Guide to Accompany Algebra & Trigonometry with Applications, The Complete Guide to Reiki, Vol. I (The Complete Guide to Reiki Series Book 1), Chupacabra (Cryptid Hunters), Classics Mutilated, Risks of Obesity Anatomical Chart, The Invisible Touch: The Four Keys to Modern Marketing, A Collection of Old Ballads.
