

Lazarus Long, the main protagonist and Heinlein's alter ego, is so in love with life he refuses to die. Born in 1916, he lives through multiple centuries. *Time Enough for Love* is the telling of his journey, lovingly detailed, through a vast and magnificent timescape of centuries and worlds. Using the voice of Lazarus, Heinlein expounds his own philosophies, including his radical (for 1946) ideas on sexual freedom. *Time Enough for Love* is the capstone and crowning achievement of Heinlein's Future History series.
