All new creatures and species inhabit this unique landscape as events unfold before your eyes that will change the civilization of the Kingdom and the Altered Creatures forever. This fast-paced character-driven series is filled with magic and mystery. Series Synopsis: The Brothers of War were the twin heirs to the Mighty Dovenar Kingdom. Now weakened by the great civil war, which the twins unleashed upon the land, both brothers are nowhere to be found. Outside the kingdom's safe harbor and strong fortress walls, the Altered Creatures are prepared to conquer the kingdom in its leaderless and weakened state. The magical Alchemists have chosen sides with the Altered Creatures and against the few Eâ€™rudites who still honor the prior regime. Word of the vulnerable people has made it to the three demons that rule the Underworld, Land, and the Air, who have all decided to join the battle for their own supremacy. The future looks bleak for the civilized lands. Yet, there is one young hunter who believes he can still save the Kingdom. These are the tales of this individual and his friends whose very faith in their values challenges the vast domination of the naturally powerful. The land's destiny is in Thorik's hands, while his confidence in himself and conviction to his beliefs will define his own fate. Join Thorik on the ultimate journey to save the world from those who strive to control it.
