

Five years ago, Tristan Kendall left home and the woman he loved to prove himself on the sport bike racing circuit. With his career briefly on hold, heâ€™s come to realize everything - and everyone - he ever wanted was right at home all along. Now heâ€™s determined to win back her heart no matter the cost. But Victoria Laneâ€™s been through more than Tristan knows since he broke her heart. No longer the girl he once knew, she has a life to live, and a heart to give, but only to someone whoâ€™s planning to stick around. And sheâ€™s sure that isnâ€™t him. Can he convince her that sheâ€™s the only victory lane he wants to be in?
