

A firefighter desperate to save his failing marriage earns the trust and the sexual submission of his controlling wife in the most pleasurable of ways. After an explosive one-night stand results in pregnancy, Jamie Caldwell is thrilled to marry the perfect foil to his Dom side. But when his submissive wife starts cringing every time he gives a command, Jamie shackles his dark desires. A bout of rough, frenzied reunion sex makes him wonder if now he should free the Dom he's kept in chains and teach Erica the joys of submission and sexual surrender. Erica Caldwell secretly loved every sinful thing Jamie did to her on their first night together. However, terrified she'll become a codependent doormat like her mother, she repeatedly rejects Jamie's dominance, despite craving the kind of release only he can give her—the release that comes from yielding to Jamie's every demand. Hoping that the trust required by BDSM will help them rebuild their faith in each other, Jamie and Erica embark on a journey of sexual exploration. But is it too late to repair their crumbling marriage?

He Came Back, Dissertations and discussions, political philosophical, and historical.
