

Some heroes aren't born... they're built. Westley Worthington has found the love of his life in Cordelia. But when he pushes her away to protect her family, he fears he's lost her forever. Cordelia Cross has never felt about anyone the way she feels about West. Which is exactly why she is resolved to keep her distance. When West is threatened with the loss of his fortune, his friends, and even his life, he must learn that it takes more than super-strength to be a hero to the ones he loves. Can he save the day one last time, before the technology that saved him finishes him for good? Find out in *Upgraded*, the final full-length novel in the *Building a Hero* trilogy from USA Today bestselling author Tasha Black.
