

Now in one volume, the works of the most successful international playwright of her generation (Vogue). Yasmina Reza's plays reflect the razor sharp wit, social commentary, and impeccable comedic timing that have earned the praise of critics throughout the world, none more so than the Tony Award-winning *Art*, an eccentric and clever play of ideas that took the American theater community by storm. In this sly critique of contemporary relationships, Reza skillfully picks apart the friendship of three men via a bowl of olives and a white-on-white painting. Now translated into more than 30 languages, *Art* continues to be performed worldwide, even as Reza's other plays have garnered similar acclaim. *Life x 3*, Reza's most recent offering, again highlights her satirical wit as two couples face off in three different versions of the dinner from hell. Praised as compact, cool and clever by Christopher Isherwood of *Variety*, Reza uses the acidic exchanges of her characters to illuminate their inner desire for love and acceptance. Also included in this edition are two earlier plays, *The Unexpected Man* and *Conversations After a Burial*. Each elucidates the startling difference between public and private life, be it in the confines of a train compartment or a country estate in the aftermath of a loved one's passing.
