

The alpha empath, Danyael Sabre, languishes in a maximum-security prison. His life sentence should spell emotional freedom for the assassin, Zara Itani, but true to her contrary nature, she travels the solitary and hazardous path from hate to love even though it is far too late for her and Danyael. Meanwhile in her hometown of Beirut, international political conspiracy simmers on the brink of renewed military conflict. Zara's™ loyalties will be tested; her beliefs challenged. She could start a war, or she could stop it. Tell me who you love and I will tell you who you are.... Zara will finally discover who she is, but what will it cost Danyael this time?
