

“I have a 10 year old son who is an avid reader!! He loves books, (but he’s picky too) he loved Harry Potter and Percy Jackson. He was so excited to read the 2nd book in this series! When I presented him the first book he was not sure he would like it but changed his mind quickly, then when I heard about the 2nd book being released he almost jumped out of his chair! (no exaggeration) ... According to my son, “every kid should read this series” - SavyGreenSaver, Amazon “ 5 Star Review If you loved Harry Potter, if you couldn't get enough of Percy Jackson, if you're wondering what to read while you're waiting for The Blood of Olympus -- from Lars Guignard, the bestselling author of Zoe & Zak and the Ghost Leopard, comes the second book in the Zoe & Zak series, Zoe & Zak and the Yogis Curse. Zoe and Zak are two kids who've just had their world turned upside down. Their parents have sent them off to the Himalayan mountains to go to boarding school in India, all of which might seem fun, except for the fact that the school itself is a little strange. At Moonstock Himalayan Academy, students ride elephants instead of school buses, snarling monkeys work as security guards, and angry parrots monitor the halls. But living with a bunch of kids their own age can be a lot of fun too, or at least it seems that way until Zoe's roommate goes missing. Following the directions written on a steamy bathroom mirror, Zoe and Zak fly through the clouds on their newly acquired magic carpet to learn that the two of them have been chosen to lift the Yogis Curse. It's not going to be easy. Zoe and Zak don't even know what the Yogis Curse is let alone how to lift it, but like it or not, they soon discover that a whole lot of people are depending on them. Now, if they're going to save the day, Zoe and Zak are going to have to fool the monkey guards, avoid the nasty parrots, and maybe even develop a supernatural power or two. Because lurking beneath their new school is a powerful new enemy. And if Zoe and Zak can't stop him, nobody can. If you liked the nonstop action-adventure of Zoe & Zak and the Ghost Leopard, you'll love Zoe & Zak and the Yogis Curse.
